

The diagram illustrates a 3x3 grid structure with three main columns: **Plus**, **Delta**, and **Topic**. Each column contains 9 squares, arranged in 3 rows and 3 columns. The **Plus** column is dark blue with white squares. The **Delta** column is light pink with white squares. The **Topic** column is pink with yellow squares. The **Action/Suggestion** column is light green with green squares. The **Actor** column is light green with light green squares.
